Montana Families Need Jobs.

But Will Hammerquist is endorsed by the same ultra-liberal groups that supported Democrat schemes that have cost us Billions and failed to create jobs.

At a time when we need leadership, politicians like Will Hammerquist are siding with out-of-touch liberals like President Obama and his liberal allies, who have failed to create jobs and put Montanans to work. State and Federal budgets are skyrocketing, taxes are going to go up and there is no end in sight.

Don't let Will Hammerquist bankrupt Montana the same way President Obama has bankrupted America.
