

Government Spending is Out-of-Control.

**The \$862,000,000,000 failed stimulus
just throws money away...**

Government spending is Out-of-Control!

Montana families deserve better!

Take a look at the failed stimulus package – government spending that did not create enough jobs for the money:

What do we have to show for it?

More examples of failed, wasteful stimulus projects...

- \$554,763 - Forest Service to Replace Windows in Visitor Center Closed in 2007
- \$54 million - Mohegan Sun Casino Owner Uses Funds for WNBA Practice Facility
- \$13.3 million - Restoration of One of Nation's Least Visited Parks, 'Dry Turtle' Located on Remote Island
- \$15.8 million - Firm Gets No-Bid Environmental Cleanup Contract
- \$677,452 - Monkey and Chimpanzee Responses to Inequity
- \$144,541 - Monkeys Get High for Science
- \$712,883 - Scientist Attempts to Create Joke Machine

Do you want to help STOP the government spending spree?

Vote NO on Will Hammerquist

He'll just be another wasteful spender in the Montana House.

Will Hammerquist supports the Obama/Baucus agenda - higher taxes, more government spending, job-killing environmental schemes, and less jobs for Montanans.

To the best of my knowledge, the information supplied in this communications is accurate and true
