

# VOTER ALERT

**SUBJECT: Illegal, Deceptive Phone Calls**  
**TO: Voters of House District 4**

Over the weekend I became aware that voters in House District 4 are receiving phone calls from individuals that claim to be employed by my campaign. These individuals have a foreign accent and will tell you that I am running to advance Washington's agenda.

Unknown political operatives who oppose my candidacy are responsible for these deceiving phone calls. If you or someone you know is targeted by this illegal operation please contact Montana Commissioner of Political Practices, Dennis Unsworth immediately at 406-444-2942.

Unfortunately deceiving, illegal phone calls are becoming more common in Montana elections. These tactics are one reason why my campaign is not accepting any funds from PAC's or special interests.

Volunteers who are making phone calls for my campaign will be calling you from Whitefish—not India or Washington. They will tell you that I support building our local economy, property tax reform, and water quality protections.

Please feel free to stop by our Whitefish campaign office at 622 Denver or call at 862-4320 if you have any questions.
